To Whom It May Concern,

This letter is regarding our electrical contractor CJK who have been working for us since we opened in July 2017.

CJK look after all of the following in Clearbrook Nursing Home – Electrical installations, Repair & maintenance, Emergency lighting, Security systems etc.

We are very happy with the standard of services provided here in Clearbrook. As a company they have a very high standard of work, all of the electricians onsite are very professional, they also have a very good response time is we ever had any electrical issues.

We would have no hesitation recommending CJK as a company and we will continue to use them going forward.

If you require anymore information please do not hesitate to contact me on 01-8081188.

Kind Regards,

  
Rebecca Barry  
Receptionist
